SAFETY NOTICE

1. A malfunction occurred at Sturgate on Sunday March 7, on a S/L bag descent - Centre base tie type.
2. The reinforcing tape at the top of the bag broke, the canopy deployed through the top of the bag and streamed.
3. The first time student deployed his reserve successfully.
4. The bag was manufactured by Jack Hiley and the reinforcing tape is 1½ inch white cotton.
5. All such bags are to be withdrawn from service immediately.
