FANCY SKYDIVING?

If you're interested in doing a skydive, get in touch with the British Parachute Association (BPA). There are BPA dropzones where you can experience a tandem skydive or begin a skydiving course all around the country. See the BPA website for a map of dropzones around the UK and for further information.

skydivethemag.com/starter

You can also download our free *Starter Mag*, where you can read about the different ways of doing your first jump and becoming a qualified skydiver. It also contains information about all the types of jumps that you could try once qualified.

Skydiving training and systems vary in different countries. If you are considering taking a skydiving course or qualification abroad, we recommend you establish its relevance in the UK through your local Chief Instructor first.
