FANCY SKYDIVING?

If you're interested in doing a skydive, visit the 'Where can I jump?' page on the British Parachute Association (BPA) website. There are BPA dropzones where you can experience a tandem skydive or begin a skydiving course all around the country. See the BPA website for a map of dropzones around the UK and for further information.

bpa.org.uk

You can also download our *Starter Mag* App for tablets, where you can read about the different ways of doing your first jump and becoming a qualified skydiver. It also contains information about the types of jumps that you could try once qualified.

Skydiving training and systems vary in different countries. If you are considering taking a skydiving course or qualification abroad, we recommend that you establish its relevance in the UK through your local Chief Instructor first.
